Employment: On-campus employment opportunities are available. Off-campus opportunities may be available after the completion of two full-time semesters of attendance at Lakeland if the major selected requires completion of an internship. Any employment requires strict adherence to the DHS and Lakeland University rules and regulations. Please be aware that there are many restrictions in regard to international student employment in the U.S.

Deadlines: All international applications are processed on a rolling basis and there is no deadline. Your application for admission and supporting credentials should be submitted as early as possible to allow sufficient time to process your application, obtain your visa and arrange for transportation.
